Events & Activities

Once a month family activity (subject to funding) - cinema, play centres and more adventures.

The A Team - If you are 11-25 and have a diagnosis of Autism, the A-team may be for you! We love to get creative, sing, bake, play games and make new friends

Rising Stars - Our Preschool Enrichment Programme supports preschool children with disabilities and/or special educational needs to play, grow and learn in a safe and inclusive environment.

Check out our website for more information and to register.

But that's not all...

We offer so much more as well. Whether you are interested in counselling, thinking about joining our groups, or wanting to raise some vital funds - you will find it all on our website. Just scan the QR code below.

And why not sign up to our mailing list whilst you are there. You will never miss anything exciting again!

Established in 2011, Aiming Higher is a unique local charity working to improve the lives of children with disabilities and special educational needs, and their families, across Blackpool, Fylde and Wyre, providing support when they need it the most. We work with families with or without diagnosis.
